

If an Athlete Can't

play

Let USSCI Pay!

## Play This Season With Confidence

For four years Solar Soccer Club has encouraged parents to use USSCI to protect the investment made into youth sports as Solar is a nonrefundable program. Every year athletes are not able to finish the season due to the unexpected. With Sports Fee Insurance - USSCI will reimburse you, and pay for what you still owe in club and team fees; if your athlete can't play.
